We take this opportunity to thank our customers for their kind patronage and letters of commendation of our stock and treatment. We guarantee all stock true to name, healthy, and to grow if cared for upon arrival and after planting. We have always cheerfully replaced or refunded on any that proved otherwise, and will continue to do so. Notify us if anything is unsatisfactory when received, and we will be only too glad to adjust same to your satisfaction.

Our aim is to list only the most meritorious varieties, and to send out stock full of vitality. A general idea of their worth may be gleaned from their ratings. Your problems are our problems, and we welcome letters of inquiry as to growing or selection.

DAHLIAS

Our plants are grown slowly and hardened off prior to shipping and are ready for your garden. They are shipped in three-inch pots, as we consider smaller pots injurious to a growing plant of the age we send out.

Rooted cuttings will be sent out at 4/5 the price of plants, where plants are listed. Our rooted cuttings are really small plants shipped with soil removed. Directions for their care sent with all rooted cutting orders.

Unless otherwise ordered, rooted cuttings will be shipped about May 1st, roots May 10th, plants May 25th. On orders of less than \$1.00, include 10c for postage. Plants sent more than five hundred miles, include 25c for special handling.

Upon request, instructions for growing giant dahlias will be included with each order.

HALF PRICE SALE (Read Carefully)

Varieties marked *, either roots, or plants where plants are listed, will be HALF PRICE on orders of two or more varieties, when order totals \$2.00 or more net, or \$4.00 or more list price. On orders of less than \$2.00 net, all 50c varieties marked * will be sold for 3 for \$1.00.

On orders of \$5.00 or more, net price, on three or more varieties, select 20% additional stock. This discount does not apply to roots or plants included in the HALF PRICE sale, nor to 1936 introductions.

We are not listing any 1937 varieties as they cannot be guaranteed in any way. We can however, furnish many 1937 varieties in plants at originators' prices.

A weekly spraying with "LUCKY STRIKE" or any other good pyrethum and rotenone spray, will rid your garden of injurious insects.

Ratings on dahlias are our own, based on results obtained in our gardens. These ratings are apt to change, as our ideas of dahlia perfection changes; also, some dahlias do not show their true worth the first year, while others show some faults not apparent in more favorable seasons.
